S.T.A.R.S. Program Behavior Agreement & Expectations 2017-2018

Positive Learning Environment

A positive learning environment in our schools begins with students, parents and team members possessing a thorough understanding of the basic standards of acceptable conduct. In order to assist everyone in the pursuit of a quality education, Childhelp Community Center has established guidelines designed to ensure a safe environment for all students and team members in our schools. For these guidelines to be most effective, it is vital for the family, the school, and the community to work together. Students are responsible for their own actions. Students whose actions are in violation of School/District guidelines will be expected to accept the appropriate consequences. Students are expected to respect the rights and property of others, along with demonstrating high standards of personal integrity. This includes their time at school, going to and from school, time at the bus stop, and attendance at school-sponsored events. To meet these goals, we enlist the support of our community.

Childhelp Community Center in partnership with the Littleton Elementary School District implements serious consequences for drugs, weapons, or threatening behavior. Any such act may result in a recommendation for long-term suspension or expulsion. There are a variety of consequences for misconduct. Depending on the severity of the situation, there may be more than one consequence for a single event. Nothing in the handbook is intended to restrict the program from imposing more severe consequences if, at the discretion of the program director, the severity of harm, danger or damage (or the potential for harm, danger, or damage) warrants it. This would also apply if one incident involves more than one infraction. Please see the Childhelp S.T.A.R.S. Family Handbook for more information.

Student Responsibility

All students have the responsibility to:

- A. Obey school rules, S.T.A.R.S rules, and school personnel.
 - No one has the right to interfere with the education of others. Rules are designed to allow a school to meet its obligation to education students. Students are required to obey and be courteous to everyone who works in our schools.
- B. Cooperate with school team members.
 - Every community depends upon its citizens to uphold the rules by which everyone has agreed to live.
 - Students have the responsibility to provide truthful information when asked by school authorities.
- C. Respect the person and property of others.
 - Respecting the rights and properties of others and demonstrating personal integrity should guide student behavior at school, on the way to and from school, and school sponsored events. Always be a "good citizen."
- D. Respect public property.
 - Schools are a community investment and resource for young people. People who damage school property will be held responsible.
- E. Make sure that school correspondence to parents reaches home.
 - It is important that all written notices from S.T.A.R.S team members reach the parents/guardians to keep everyone informed and up-to-date.

Parent Responsibility

Parents can expect their child to be cared for in a safe and supportive environment licensed by the Arizona Department of Health Services which mandates a staff-to-student ratio not greater than 1:20. Parents are responsible for communicating with S.T.A.R.S team members to maximize the effectiveness of the S.T.A.R.S program. Parents are responsible for keeping their child's records up to date and paying fees on time as described in the Financial Agreement. It is also very important that parents pick up their child on time daily. Please read the information presented in the S.T.A.R.S Handbook and contact us if you have any questions or need further information. As a parent, you will be responsible for abiding by the handbook guidelines and the approved Financial Agreement. If you have questions, please contact the Childhelp Community Center at (623) 240-6160.

Student Behavior Expectations

Children are entitled to a positive and safe learning environment. Therefore, S.T.A.R.S cannot serve children who display chronic disruptive behavior. This is defined as verbal or physical activity which may include, but is not limited to: (1.) Behavior that requires constant attention from the S.T.A.R.S team members. (2.) Violence and/or aggressiveness that inflicts physical or emotional harm on other children. (3.) Running away from or abusing the team members. (4.) Disrespectful behavior toward team members or students. (5.) Destruction of property or vandalism. (6.) Ignoring or disobeying the rules that guide behavior during the school day and S.T.A.R.S hours. Each facilitator will use the S.T.A.R.S discipline plan for his/her classroom. The following is the behavior management plan used in S.T.A.R.S:

- Informal talk
- Time out/Restriction of privileges
- Conference with parent
- Suspension
- Expulsion (removal) from S.T.A.R.S

When a student's actions go beyond that which the facilitator can effectively control using the S.T.A.R.S discipline plan, the student will be referred to the Childcare Program Director. Whenever the Childcare Program Director becomes aware of a report from a team member, prompt and effective action to resolve the problem will be taken. When disciplinary action is appropriate, the district's discipline matrix will be followed. The assistance of the home, alternate educational supportive services, and other professional community agencies may be utilized. Reasonable efforts will be made to assist the child in behaving appropriately. If a child is unable to adjust to the extended day setting and follow appropriate behavior guidelines, the child may be suspended. If the behavior is determined as severe, there will be an immediate suspension. Chronic/Disruptive behavior from a child is evaluated on an individual basis by a team of extended day employees and other Littleton Elementary School District team members. The Discipline Matrix in the Littleton Student and Parent Handbook will be used when issuing behavior consequences.

FEES WILL NOT BE REFUNDED DUE TO BEHAVIOR RELATED SUSPENSION.

I have read this behavior agreement, and agree to the terms stated therein:

Guidance and Discipline

I understand that while my child participates in the S.T.A.R.S, it is my child's responsibility to follow all direction given by the S.T.A.R.S team members. The team members will do everything possible to rectify any issues that may arise. However, in the unlikely event there is a disciplinary problem that cannot be resolved, I will be notified and expected to pick up my child as soon as possible. At this time, I fully understand that the outcome could result in my child not being able to return to the program until further notice. In order to stay in compliance with the Student and Parent Handbook Discipline Procedures set forth by the Littleton Elementary School District, this resource will be used to determine the consequences. This may result in my child's suspension/expulsion. In the case of a suspension/expulsion of my child, I understand that the necessary consequences would be effective immediately and would require immediate action on my part as the parent/guardian. I have discussed this policy with my child and he/she understands it fully.
