

A new toy or a new look can be part of a new beginning for a child who has survived abuse or neglect.

Encourage your friends, family members, coworkers, local businesses and organizations to get involved. Together, we can bring the **#FIVETOOMANY TO ZERO**.

A REASON TO GIVE:

A report of **CHILD ABUSE** is made every **10 SECONDS**.

5 CHILDREN DIE every day from **CHILD ABUSE & NEGLECT IN THE U.S.** **#FIVETOOMANY**

Please drop off a new and unused (nonviolent) toy and a new look to a deserving boy or girl today.
