PREVENTION and TREATMENT of CHILD ABUSE

FIGHTING CHILD ABUSE

“It is unthinkable that children in our community face such terrible things as sexual abuse, maltreatment, drug and alcohol exposure, trafficking, and neglect. The good news is that there is a place where these children can feel safe, protected, and understood as they begin their journey through the healing process.”

- Vonda McGill, Licensed Clinical Social Worker &
Director of the Childhelp Children's Advocacy Center

APPROXIMATELY FIVE CHILDREN DIE EVERY DAY AS A RESULT OF ABUSE IN THE UNITED STATES

Childhelp Tennessee is dedicated to helping victims of child abuse and neglect through the Children's Advocacy Center and the Foster Family Agency. The generosity of our community through event support, gifts and grants allows Childhelp Tennessee to continue to provide forensic interviews, mental health services, education, and foster care and adoption services to children in our area.

Childhelp's Children's Advocacy Center provides:

- A safe, child-focused environment where forensic interviews, medical exams and assessments of abuse take place
- Partners with the Department of Children's Services, Law Enforcement and the justice system in their efforts to convict abusers and protect children
- Offers free mental health services to children who are victims of abuse
- Provides education to the community about child sexual abuse, physical abuse and neglect

Childhelp's Foster Family Agency

- Works to match children in the foster system with loving foster families
- Continually recruits, educates and supports foster families
- Provides case management and ongoing support and care for children in foster care and families
- Creates experiences for foster children and families to help with the process of healing from abuse and neglect
- Works to help children find the best forever home through family reunification or adoption
