## ABOUT OUR LOCAL CHILDHELP FUNDRAISING PROGRAMS

### CHILDHELP ALICE C. TYLER VILLAGE ([WWW.CHILDHELPVIRGINIA.ORG](http://WWW.CHILDHELPVIRGINIA.ORG))

Across 260 acres of naturally lush, inviting land, the Childhelp Alice C. Tyler Village (“the Village”) in Lignum, VA has been providing a healing home environment for severely abused and neglected children since 1994. Producing a true community atmosphere, the Village houses children from 5 to 14 years of age. Clients are referred by various judicial authorities and child welfare offices, often arriving exhibiting severe emotional and behavioral problems as a result of abusive or neglectful situations. A team of health professionals greets each child upon arrival, equipped to develop an individualized treatment plan tailored to the child’s needs. Children receive onsite clinical services provided by Childhelp’s multi-disciplinary team under the direction of a staff psychiatrist. The children learn to love themselves and trust others through comprehensive treatment, include:

Psychological/Clinical Therapy ★ Educational Therapy ★ Art Therapy ★ Equine Therapy  
Recreational Therapy ★ Occupational Therapy ★ Music Therapy

Staff members strive to see a child discharged to a less restrictive, positive placement, whether that means being reunited with a core family member (where abuse did not occur), adopted, placed with a foster family, or relocated to a less intensive treatment facility.

★ The Academy of Childhelp Alice C. Tyler Village is a non-public school that serves children requiring a therapeutic environment as part of their elementary or secondary education. The Academy enrolls students with extreme emotional disturbances that cannot be accommodated in a public school by providing high quality supervision, structure and individual programming designed to transition the child to a less restrictive environment.

### CHILDHELP NATIONAL CHILD ABUSE HOTLINE (1-800-4-A-CHILD)

The Washington, DC metropolitan area is rated number three nationally (per capita) for the number of abuse related calls received at Childhelp’s National Child Abuse Hotline. While children have been at home during the long COVID-19 pandemic, the Childhelp National Child Abuse Hotline has seen a sharp increase in contacts, with monthly volume ranging from 15% to 43% higher than the previous year.

★ The Childhelp National Child Abuse Hotline is available 24/7 by phone, text and live chat and serves the United States, Canada, US Virgin Islands, Puerto Rico and Guam. Through translators, the hotline is able to assist in over 170 languages. Staffed exclusively by degreed professional counselors, this confidential service offers crisis intervention, support, information and referrals to emergency and social services resources, and is a valuable source of information for mandated reporters like school personnel, health professionals, police and fire investigators.
